

QDialog

```
graph BT; admin_item_database --|> QDialog
```

The diagram illustrates a generalization relationship between two classes. At the bottom is a box labeled 'admin_item_database' with a thick black border and a light gray fill. A solid blue arrow points vertically upwards from the top center of this box to the bottom center of a box above it. The top box is labeled 'QDialog' and has a thin gray border and a white fill. This represents that 'admin_item_database' is a specialized version of the 'QDialog' class.
